

Product datasheet: Product information on electric local space heaters to Regulation (EU) 2024/1103

		TBS TB 160/1 Set Plus
		205799
Manufacturer		STIEBEL ELTRON
Rated heating output P _{nom}	kW	0,2
Maximum continuous heat output P _{max,c}	kW	0,2
Energy consumption in idle mode P _{idle}	W	0,56
Seasonal energy efficiency in active mode η _{s,on}	%	96,0
Type of heating output/room temperature control: Single stage heating output, no room temperature control		-
Type of heating output/room temperature control: Two or more manual stages, no room temperature control		-
Type of heating output/room temperature control: Room temperature control with mechanical thermostat		-
Type of heating output/room temperature control: With electronic room temperature control		-
Type of heating output/room temperature control: Electronic room temperature control plus day timer		-
Type of heating output/room temperature control: Electronic room temperature control plus week timer		x
Other control options: Room temperature control with presence detection		-
Other control options: Room temperature control with window open detection		x
Other control options: With distance control option		-
Other control options: With adaptive start control		x
Other control options: With working time limitation		-
Other control options: With black bulb sensor		-
Other control options: with self-learning function		-
Other control options: with control accuracy		x
