

Manufacturer	STIEBEL ELTRON
Seasonal space heating energy efficiency under average climate conditions for medium-temperature applications (η_s)	-
Temperature control class	-
Contribution of temperature control to space heating energy efficiency	-
Space heating energy efficiency of package under average climate conditions	-
Space heating energy efficiency of package under colder climate conditions	-
Space heating energy efficiency of package under warmer climate conditions	-
Value of differential between space heating energy efficiency under average climate conditions and that under colder climate conditions	-
Value of differential between space heating energy efficiency under warmer climate conditions and that under average climate conditions	-
Space heating energy efficiency class under average climate conditions, medium-temperature applications (A+++ -> D)	-
Space heating energy efficiency class of package under average climate conditions (A+++ -> D)	-
Energy efficiency class, DHW heating under average climate conditions (A+++ -> D)	-
Load profile	-
