

**Product datasheet: Combination heater to Regulation (EU) No 811/2013 (S.I. 2019 No. 539 / Programme 2)**

|                                                                                                                                         |   | <b>LWZ 404 flex</b> |
|-----------------------------------------------------------------------------------------------------------------------------------------|---|---------------------|
|                                                                                                                                         |   | 235269              |
| Manufacturer                                                                                                                            |   | STIEBEL ELTRON      |
| Seasonal space heating energy efficiency under average climate conditions for medium-temperature applications ( $\eta_s$ )              | % | 115                 |
| Temperature control class                                                                                                               |   | -                   |
| Contribution of temperature control to space heating energy efficiency                                                                  |   | -                   |
| Space heating energy efficiency of package under average climate conditions                                                             |   | -                   |
| Space heating energy efficiency of package under colder climate conditions                                                              |   | -                   |
| Space heating energy efficiency of package under warmer climate conditions                                                              |   | -                   |
| Value of differential between space heating energy efficiency under average climate conditions and that under colder climate conditions |   | -                   |
| Value of differential between space heating energy efficiency under warmer climate conditions and that under average climate conditions |   | -                   |
| Space heating energy efficiency class under average climate conditions, medium-temperature applications (A+++ -> D)                     |   | A+                  |
| Space heating energy efficiency class of package under average climate conditions (A+++ -> D)                                           |   | -                   |
| Energy efficiency class, DHW heating under average climate conditions (A+++ -> D)                                                       |   | -                   |
| Load profile                                                                                                                            |   | -                   |
