**STIEBEL ELTRON**

WPE-I 07 HW 400 Plus

Energy label for heating system components. It shows a boiler icon with an **A++** rating, a radiator icon with an **A++** rating, and a tap icon with an **A** rating.

Energy label for radiator. It shows a radiator icon with an **A++** rating. To the right is a large black arrow pointing left with **A++** written inside. Below the radiator icon is a vertical scale of energy efficiency levels from **A+++** (green) to **G** (red).

Energy label for additional features. It shows four features, each with a plus sign and a square box: solar panels, a hot water tank, a control panel, and a boiler. The control panel feature has an **X** in its box.

Energy label for tap. It shows a tap icon with an **XL** rating. To the right is a large black arrow pointing left with **A** written inside. Below the tap icon is a vertical scale of energy efficiency levels from **A+++** (green) to **G** (red).
