

Product datasheet: Electric local space heater to Regulation (EU) No. 2015/1188

|   |    | CNS 200 Connect |
|---|----|-----------------|
|   |    | 205650          |
| Manufacturer  |    | STIEBEL ELTRON  |
| Rated heating output P <sub>nom</sub>   | kW | 2,0             |
| Maximum continuous heat output P <sub>max,c</sub>   | kW | 2,0             |
| Type of heating output/room temperature control: Single stage heating output, no room temperature control |    | -               |
| Type of heating output/room temperature control: Two or more manual stages, no room temperature control   |    | -               |
| Type of heating output/room temperature control: Room temperature control with mechanical thermostat      |    | -               |
| Type of heating output/room temperature control: With electronic room temperature control                 |    | -               |
| Type of heating output/room temperature control: Electronic room temperature control plus day timer       |    | -               |
| Type of heating output/room temperature control: Electronic room temperature control plus week timer      |    | x               |
| Other control options: Room temperature control with presence detection                                   |    | -               |
| Other control options: Room temperature control with window open detection                                |    | x               |
| Other control options: With distance control option   |    | x               |
| Other control options: With adaptive start control  |    | x               |
| Other control options: With working time limitation   |    | -               |
| Other control options: With black bulb sensor   |    | -               |
