

**Product datasheet: Electric local space heater to Regulation (EU) No. 2015/1188**

|                                                                                                           |    | <b>CNS-B 2000 Plus LCD Move (CH)</b> |
|-----------------------------------------------------------------------------------------------------------|----|--------------------------------------|
|                                                                                                           |    | 207536                               |
| Manufacturer                                                                                              |    | STIEBEL ELTRON                       |
| Rated heating output P <sub>nom</sub>                                                                     | kW | 2,0                                  |
| Minimum heating output (standard value) P <sub>min</sub>                                                  | kW | 0,0                                  |
| Maximum continuous heat output P <sub>max,c</sub>                                                         | kW | 2,0                                  |
| Energy consumption in off mode P <sub>0</sub>                                                             | W  | 0,00                                 |
| Energy consumption in idle mode P <sub>idle</sub>                                                         | W  | 0,32                                 |
| Energy consumption in standby mode with display                                                           |    | x                                    |
| Seasonal energy efficiency in active mode $\eta_{s,on}$                                                   | %  | 95,0                                 |
| Type of heating output/room temperature control: Single stage heating output, no room temperature control |    | -                                    |
| Type of heating output/room temperature control: Two or more manual stages, no room temperature control   |    | -                                    |
| Type of heating output/room temperature control: Room temperature control with mechanical thermostat      |    | -                                    |
| Type of heating output/room temperature control: With electronic room temperature control                 |    | -                                    |
| Type of heating output/room temperature control: Electronic room temperature control plus day timer       |    | -                                    |
| Type of heating output/room temperature control: Electronic room temperature control plus week timer      |    | x                                    |
| Other control options: Room temperature control with presence detection                                   |    | -                                    |
| Other control options: Room temperature control with window open detection                                |    | x                                    |
| Other control options: With distance control option                                                       |    | -                                    |
| Other control options: With adaptive start control                                                        |    | x                                    |
| Other control options: With working time limitation                                                       |    | -                                    |
| Other control options: With black bulb sensor                                                             |    | -                                    |
| Other control options: with self-learning function                                                        |    | -                                    |
| Other control options: with control accuracy                                                              |    | -                                    |
