STIEBEL ELTRON

WPL 25 AC compact duo Set 2.1

Energy label for heating system components. It features a central icon of a boiler with three wavy lines. To its right is a black arrow pointing left with 'A++' written on it, followed by a radiator icon. Below the boiler icon is another black arrow pointing left, followed by a tap icon.

Energy scale for heating system components. It shows a radiator icon at the top left. Below it is a vertical scale of ten horizontal bars, each representing an energy class from A+++ (green) to G (red). A black arrow on the right points to the A++ class.

Energy label for system features. It consists of four rows, each with a plus sign, an icon, and a square box. The icons are: a solar panel with a sun, a water tank with wavy lines, a hand pointing at a control panel, and a boiler with wavy lines. The boxes are empty, empty, contain an 'X', and empty respectively.

Energy scale for system features. It features a tap icon at the top left. Below it is a vertical scale of ten horizontal bars, each representing an energy class from A+++ (green) to G (red).
