Energy label for heating system components. It features a radiator icon with an **A+++** arrow pointing left, a boiler icon with an **A** arrow pointing left, and a tap icon with **XL** next to it.

Energy label for a radiator. It shows a radiator icon at the top left and a large **A+++** arrow pointing left on the right side. A vertical scale of energy efficiency classes is shown in the center, with **A+++** at the top (green) and **G** at the bottom (red).

Energy label for additional features. It lists four features, each with a plus sign, an icon, and a checkbox:

- Solar panel icon with a checked box.
- Water tank icon with an unchecked box.
- Control panel icon with an **X** in a checked box.
- Boiler icon with an unchecked box.

Energy label for a tap. It features a tap icon with **XL** next to it at the top left and a large **A** arrow pointing left on the right side. A vertical scale of energy efficiency classes is shown in the center, with **A+++** at the top (green) and **G** at the bottom (red).
