

**Product datasheet: Composite system consisting of room heater and temperature controller to regulation (EU) no. 811/2013 / (S.I. 2019 No. 539 / Schedule 2)**

|   |   | <b>WPL 17 IKCS classic</b> |
|---|---|----------------------------|
|   |   | 236378                     |
| Manufacturer  |   | STIEBEL ELTRON             |
| Seasonal room heating efficiency in moderate climates for average temperature applications ( $\eta_s$ )                                   | % | 126                        |
| Temperature controller class  |   | VI                         |
| Contribution of temperature controller to room heating energy efficiency  | % | 4                          |
| Room heating energy efficiency of composite system under moderate climatic conditions   | % | 130                        |
| Room heating energy efficiency of composite system under colder climatic conditions   | % | 109                        |
| Room heating energy efficiency of composite system under warmer climatic conditions   | % | 146                        |
| Value of differential between room heating energy efficiency under moderate climatic conditions and that under colder climatic conditions | % | 21                         |
| Value of differential between room heating energy efficiency under warmer climatic conditions and that under moderate climatic conditions | % | 16                         |
| Energy efficiency class for central heating in moderate climates for medium temperature applications                                      |   | A++                        |
| Room heating energy efficiency class of composite system under moderate climatic conditions   |   | A++                        |
