**STIEBEL ELTRON**

WPL 13 ACS classic UK compact Set S

Energy label for heating system components. It shows a boiler icon, a radiator icon, and a tap icon. The boiler is rated A++ and the tap is rated A.

Energy label for a radiator. It shows a radiator icon and a color scale from A+++ (green) to G (red). The radiator is rated A++.

Energy label for solar panel, hot water tank, control panel, and boiler. It shows a plus sign (+) next to each icon: a solar panel, a hot water tank, a control panel, and a boiler. The control panel is marked with an 'X' in a box, indicating it is not applicable.

Energy label for a tap. It shows a tap icon and a color scale from A+++ (green) to G (red). The tap is rated A.
