## Product datasheet: Room heater to regulation (EU) no. 811/2013 / (S.I. 2019 No. 539 / Schedule 2)

|   |       | WPL 09 ICS classic compact plus set |
|---|-------|-------------------------------------|
|   | ;     | 236728                              |
| Manufacturer  |       | STIEBEL ELTRON                      |
| Energy efficiency class for central heating in moderate climates for<br>medium temperature applications |       | A++                                 |
| Energy efficiency class for central heating in moderate climates for low temperature applications       |       | A+++                                |
| Rated heating output in moderate climates for average temperature applications (Prated)                 | kW    | 4                                   |
| Rated heating output in moderate climates for low temperature applications (Prated)                     | kW    | 5                                   |
| Seasonal room heating efficiency in moderate climates for average temperature applications ( $\Pi$ s)   | %     | 130                                 |
| Seasonal room heating efficiency in moderate climates for low temperature applications ( $\Pi$ s)       | %     | 178                                 |
| Annual energy consumption in moderate climates for average temperature applications (QHE)               | kWh/a | 2804                                |
| Annual energy consumption in moderate climates for low temperature applications (QHE)                   | kWh/a | 2187                                |
| Sound power level internal  | dB(A) | 45                                  |
| Sound power level external  | dB(A) | 32                                  |
| Rated heating output in colder climates for average temperature applications (Prated)                   | kW    | 7                                   |
| Rated heating output in colder climates for low temperature applications (Prated)                       | kW    | 7                                   |
| Rated heating output in warmer climates for average temperature applications (Prated)                   | kW    | 2                                   |
| Rated heating output in warmer climates for low temperature applications (Prated)                       | kW    | 3                                   |
| Seasonal room heating efficiency in colder climates for average temperature applications ( $\Pi$ s)     | %     | 119                                 |
| Seasonal room heating efficiency in colder climates for low temperature applications ( $\eta s)$        | %     | 154                                 |
| Seasonal room heating efficiency in warmer climates for average temperature applications (Πs)           | %     | 136                                 |
| Seasonal room heating efficiency in warmer climates for low temperature applications ( $\eta$ s)        | %     | 198                                 |
| Annual energy consumption in colder climates for average temperature applications (QHE)                 | kWh/a | 5515                                |
| Annual energy consumption in colder climates for low temperature applications (QHE)                     | kWh/a | 4321                                |
| Annual energy consumption in warmer climates for average temperature applications (QHE)                 | kWh/a | 921                                 |
| Annual energy consumption in warmer climates for low temperature applications (QHE)                     | kWh/a | 701                                 |
|   |       |                                     |
