Icons for heating (boiler) and hot water (faucet). Energy efficiency labels: A++ for heating, A for hot water. A radiator icon is also present.

Energy efficiency scale for heating. A radiator icon is shown at the top. The scale ranges from A+++ (green) to G (red). A black arrow on the right points to the A++ level.

Icons for solar panels, hot water tank, control panel, and boiler. Each icon is preceded by a plus sign. To the right of each icon is a square box: empty for solar, hot water, and boiler; containing an 'X' for the control panel.

Energy efficiency scale for hot water. A faucet icon is shown at the top with 'XL' next to it. The scale ranges from A+++ (green) to G (red). A black arrow on the right points to the A level.
