STIEBEL ELTRON

WPL-A 05 HK Premium compact duo Set 2.1

Energy label for heating system components. It features a central icon of a boiler with three wavy lines. To its right is a black arrow pointing left with 'A+++'. Further right is a radiator icon. Below the boiler icon is a black arrow pointing left, and to its right is a faucet icon.

Energy scale for heating system components. It shows a radiator icon at the top left. To the right is a black arrow pointing left with 'A+++'. Below the radiator icon is a vertical scale of ten horizontal bars, each representing an energy class from A+++ to G. The bars are colored: A+++ (green), A++ (light green), A+ (yellow-green), A (yellow), B (orange-yellow), C (orange), D (red-orange), E (red), F (dark red), and G (red).

Energy label for additional features. It consists of four rows, each with a plus sign (+) on the left, an icon in the middle, and a square box on the right. The rows are: 1) Solar panel icon, empty box. 2) Water tank icon, empty box. 3) Hand pointing to a keypad icon, box with an 'X'. 4) Boiler icon, empty box.

Energy scale for additional features. It features a faucet icon at the top left. Below it is a vertical scale of ten horizontal bars, each representing an energy class from A+++ to G. The bars are colored: A+++ (green), A++ (light green), A+ (yellow-green), A (yellow), B (orange-yellow), C (orange), D (red-orange), E (red), F (dark red), and G (red).
